Fabulous location, fabulous lot and fabulous quality of construction! This remarkable home in the iconic Malvern Hills section of West Asheville is situated on a large .82 acre lot with beautiful oak trees and landscaped beds. This home boasts an elevator, four bedrooms, three full baths and a powder room. The sunroom looks over the level backyard which has a wonderful treehouse and tons of room to create an oasis of fun. Meticulously maintained with an owner's suite on main, hardwood floors protected by carpet and years of loving care. Eat by the fireplace in the kitchen, entertain by a wood fire in the living room or cozy up for a movie by the fire in the den. Either way, this home lends itself to the idea of a sanctuary in Asheville.
